To the Planning and Zoning Committee of Westport, CT,

I am writing to express my support for the instillation of the sculpture entitled "Rocks Paper Scissors" outside of the Westport Library. The donation by Ann Sheffer and Bill Scheffler was extremely generous, and I feel its instillation in such a prominent position would honor their lifelong support of the arts in Westport. The playful subject matter is perfect for a family-friendly venue, and I think it will be beloved by generations of Westporters to come. We are lucky to have received such a visually beautiful and generous donation, and I urge the town to approve its instillation in this ideal location.

Best regards,
Deirdre Kelly
